Buckles Family Health Care adds Onsite Medication Dispensary

St. Joseph, MO - Beginning June 1st, patients of Buckles Family Health Care will have the option to fill their prescriptions "in-house" immediately following their office visit.

The onsite medication dispensary will inventory the most popular medications. Prescription insurance coverage will be available and products competitively priced with the local market.

All medications will be pre-packaged, saving the patient time and money. In addition, patients may elect to have their medication refill's mailed or personally delivered.
